Gold Star Futsal

Season Guide 2025 - 2026

FAQ

My child plays other sports, can they only play during the winter months and not do the full year program? No, the only exception would be players playing in the premier program (2011-2008). All players (La Masia – Academy) will be charged the full year program cost.

My child only plans to attend one of the tournaments, can we subtract one tournament fee cost from our program cost? No, players are expected to attend 2 tournament with their team during the 2025-26 futsal season.

What are the dates of the tournaments my child will attend? Each team will participate in two tournaments. Traditionally, we have sent teams to the USYF Northeast Regional tournament, Boston, MA. (MLK weekend) and USF Northeast Regional tournament Atlantic City, NJ (President's Day weekend). Last year we had teams that attended the Emerald Cup in Pittsburgh, PA the last weekend in January. We will list more tournaments as the futsal season approaches.

Is my child allowed to play futsal with another club? No, once a player completes the deposit and secures a spot on a team, they can not play for another futsal club. Please read the [policies and procedures](#) below.

My child will have practice with another sport on the same day as futsal training. Can my child attend a different training session? Historically, we have allowed players to attend another night due to a conflict. This year, we plan on having teams train with their own players instead of age group training. We will discuss individual circumstances with the parents and coaching staff and determine if it will be allowed.

Does my child have to wear the club issued training gear to every training session and game? Yes, players will be provided a home and away uniform (included with the program fee) and they will be required to wear the training gear to every session. Players **MUST** always wear shinguards.

Can I order extra uniform shirts, shorts, or socks for my child? Yes, when we send out the uniform ordering form, you will be able to order extra uniform shirts, shorts, and/or socks (additional costs will apply).

I missed the first monthly payment because my child was just informed about playing futsal. How would the payments be made? All final payments must be completed by November 10th, 2025 (excludes premier program. You would make the deposit payment along with any monthly payment missed. We will send you a new monthly payment amount divided over the months remaining.

Gold Star Futsal Season Guide 2025 - 2026

Policies & Procedures

As part of our ongoing commitment to providing the highest level of training and competition for our players, we have set the following participation policies for the upcoming 2025-2026 season.

Participation Guidelines for the 2025-2026 Season:

1. **Exclusivity of Training and Play:** Gold Star Futsal players will not be allowed to train or play with any other futsal club while registered with Gold Star Futsal during the 2025-2026 season. A futsal club is defined as any organization that provides futsal training, participates in friendlies, futsal leagues, regional tournaments, or national tournaments.
2. **In-House Futsal Exception:** Players may participate in futsal programs offered by their soccer club, only if the futsal is considered "in-house." In-house futsal is defined as futsal training provided by the soccer club, with no additional cost beyond the regular soccer program. The training must be led by the soccer club's own coaching staff (not external futsal coaches), and the program must not involve friendlies, league play or participation in regional or national tournaments.
3. **Training Conflicts:** Players who choose to participate in their soccer club's in-house futsal program will not be allowed to attend other scheduled training sessions for their Gold Star Futsal team.
4. **Guest Playing Restrictions:** Gold Star Futsal players will not be permitted to "guest play" for other futsal clubs in local, regional, or national tournaments (e.g., USYF, USF, or United tournaments) unless specifically recommended by a Gold Star Futsal coach. Players will not be allowed to (play up) with another futsal club. Guest playing opportunities will only be offered with a recognized Gold Star Futsal partner club, which is a USYF-affiliated club in good standing with us. The priority of the player is always to their Gold Star Futsal Club before any commitment to the team they are guest playing with.
